in addition to Kreis Melsungen, includes Kreise along the zonal border in which Witzenhausen is part of the Kassel district with respect to state administration. The KPD apparently is pursuing a special purpose in organizing these counties along the zonal border into one sector. It is planned to exclude Melsungen from this sector later and to centralize the sector in Sontra.

These instructor sectors were established when the KPD set-up was reorganized. In the development of this reorganization, the Bezirksleitungen, which formerly were immediately subordinate to the Landesleitungen, were dissolved and the Kreisleitungen and Stadtleitungen were made directly subordinate to the Landesleitungen. Instructors were appointed, and each of these controls a number of neighboring Kreisleitungen. It is believed that, in addition to their official missions, these instructors were assigned additional missions pertaining to KPD preparations for eventual underground activity.
